About Venture Niagara

“Venture Niagara Community Futures Development Corporation is a not-for-profit Community Futures Development Corporation, formed in 1985 and currently situated in the City of Thorold, Ontario.

The organization is guided by a volunteer Board of Directors, staffed by professionals and funded by the Federal Government of Canada with an aim to support economic development and job creation by delivering community economic development initiatives, business advisory services and providing access to capital to qualified business start-ups and expansions. Services are provided in both of Canada’s official languages.

Venture Niagara serves the municipalities of Fort Erie, Grimsby, Lincoln, Niagara Falls, Niagara-on-the Lake, Pelham, Port Colborne, St.Catharines, Thorold, Wainfleet and Welland.

Community Economic Development Projects

*Francophone
Community Collaborations*

Francophone Community Initiatives

Interagence Niagara

- Interagence Niagara is an informal group of 35 Niagara-based Francophone organizations taking part in an exchange of information to encourage collaboration and to promote the vitality of the Francophone community.
- Venture Niagara staff chair quarterly meetings for Niagara's French agencies.

Vivreaniagara

- Venture Niagara works with organizations in areas such as, culture and leisure, education, employment, health, government and information for newcomers.
- Developed strong relationships with provincial organizations to promote Niagara's vibrant francophone community across the province.
- This VN staff-led committee created a web-site and post cards to promote all sectors of Niagara's French speaking community. www.vivreaniagara.com

Franco-Ontario Flag Raising

Staff work closely with both of Niagara's French schoolboards to organize the annual Franco-Ontario flag raising event that was held September 25, 2024.

More than 400 people came to the flag plaza at the Region of Niagara complex for the celebration.

Niagara's Francophone community will be celebrating the 50th anniversary of the Franco-Ontario flag September 25th 2025.

Transition of the CED Program

Venture Niagara closed out many successful, long-term, high-profile projects in 2023-2024

Thorold Tourism Contract

Venture Niagara was the official tourism agent for the City of Thorold from 2015-2022. Staff managed Lock 7 Tourism Centre and worked with city partners to market the community to tourists.

Cycling Tourism

Venture Niagara advocated for cycling as a tourism opportunity and an element of active transportation in the Niagara region. Staff designed and managed a popular website www.niagaracyclingtourism.com and produced and distributed a cycling map that was in great demand for 5 years.

2022 Canada Summer Games

Venture Niagara & Niagara 2022 Canada Games had a 5-year relationship starting with the Games Bid process through to a role as Committee Chair role in the organization and delivery of the 2022 Canada Summer Games.

*"These Games were the most inclusive Games that we have ever seen on record. We are so thankful that Niagara has set the bar where it has and 23,25 and 27 and futures Games will be looking at that." **She mentioned French language inclusions, the highlighting of underrepresented groups...***

Kelly-Ann Paul, Canada Games Council's President and CEO

Transition of CED

Continued with several existing projects

Niagara Tourism Network

- Grassroots tourism colleagues meet monthly at tourism and hospitality properties to learn about trends in the local tourism industry
- Develop mutually beneficial partnerships and seek business development opportunities. www.niagaratourismnetwork.com

Art in the Open

- Art in the Open is the go-to reference source for Niagara's public art.
- It features images of the art, their locations across Niagara and artist information too.
- This web-based app requires a major review due to ongoing additions of new art pieces recent changes of location of public art across Niagara.
- www.artintheopen.ca

Venture Niagara Scholarship in Entrepreneurship

- Developed to encourage entrepreneurship & defray student education expenses
- \$10,000 commitment over 5 years.
- First scholarship was provided in Fall 2022 -\$1,000 to a Brock student and a Niagara College student. Awards determined by the school.
- Source of funding is Venture Niagara's Board Fund.

And, introduced new projects in 2023-2024 with more to come

Merging CED with Access to Capital

Home Child Care Success Story

Venture Niagara created a special microloan program to lend \$1,000 - \$5,000 to qualifying new or existing Home Child Care providers to assist with setup of their home-based businesses.

This project led to helping one client access a \$20,000 Express Loan for a French Home Child Care provider to retrofit a second location so that they can accommodate more children.

Arts and Culture

Niagara Arts & Culture Connection

An informal monthly exchange between peers in Niagara's Arts and Culture sector.

Why Now?

- Investing in arts and culture is crucial for enhancing quality of life, fostering economic development, strengthening community identity, promoting education and creativity, fostering social cohesion, promoting health and well-being and advancing environmental sustainability.
- These benefits collectively contribute to a thriving and resilient region that attracts residents, visitors and business.
- Networking plays a crucial role in advancing arts and culture by connecting individuals, organizations and communities.

Sport Tourism

Sport Tourism Strategy

Venture Niagara and community partners are working towards the development of a sport tourism strategy for Niagara beginning with three pillars.

Sport Event Data - What sport events occur in Niagara?

- Gather information about small, medium, and large-scale sport events throughout Niagara.
- Develop a sport event catalogue that is maintained annually.
- Generate a 'map' of the overall Niagara sport event portfolio.

Sport Facility Data - Where does sport tourism occur in Niagara?

- Gather information about sport and recreation facilities in Niagara.
- Develop a facility inventory that is maintained annually.
- Translate the facility inventory into a tool that supports sport groups, event rights-holders, municipal planners, and other stakeholders.

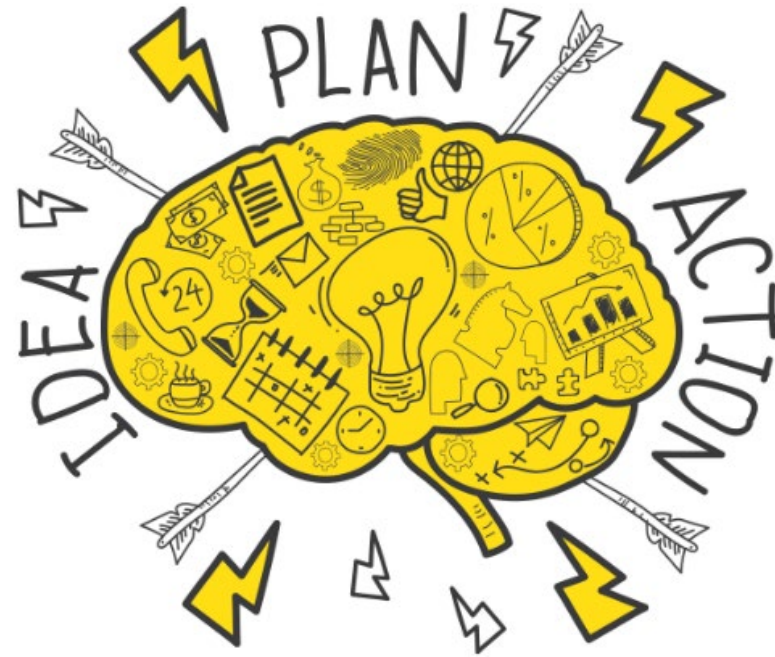

Sport Organization Data - Who is involved in Niagara sport tourism?

- Gather information about sport organizations that operate in Niagara.
- Develop a directory of organizations that is maintained annually.
- Track business and nonprofits according to size, sector, and services.

Susan Morin, Venture Niagara's Business Development Manager, emceeds a 2024 World Rowing Championship preview event held on Henley Island in St. Catharines. From August 18-25, St. Catharines hosts 3 world championships, welcoming 2,500 athletes from over 80 countries. This monumental event, including a 4 day Fan Festival and community events, as approximately 3,000 spectators per day are expected to attend.

RRRF & CEBA-Like Loans
Total Disbursement \$4,322,370

Loan Portfolio Activity

Loan Portfolio Activity

Number of New Loans per Year – 2009* to 2024

Venture Niagara disbursed the sixth highest number of new loans (24) compared to the 21 Western Ontario CFDCs in 2023-2024!

(Venture Niagara approved 27 Loans/Lines of Credit for a total amount of \$1,287,500, however only 24 deals closed)

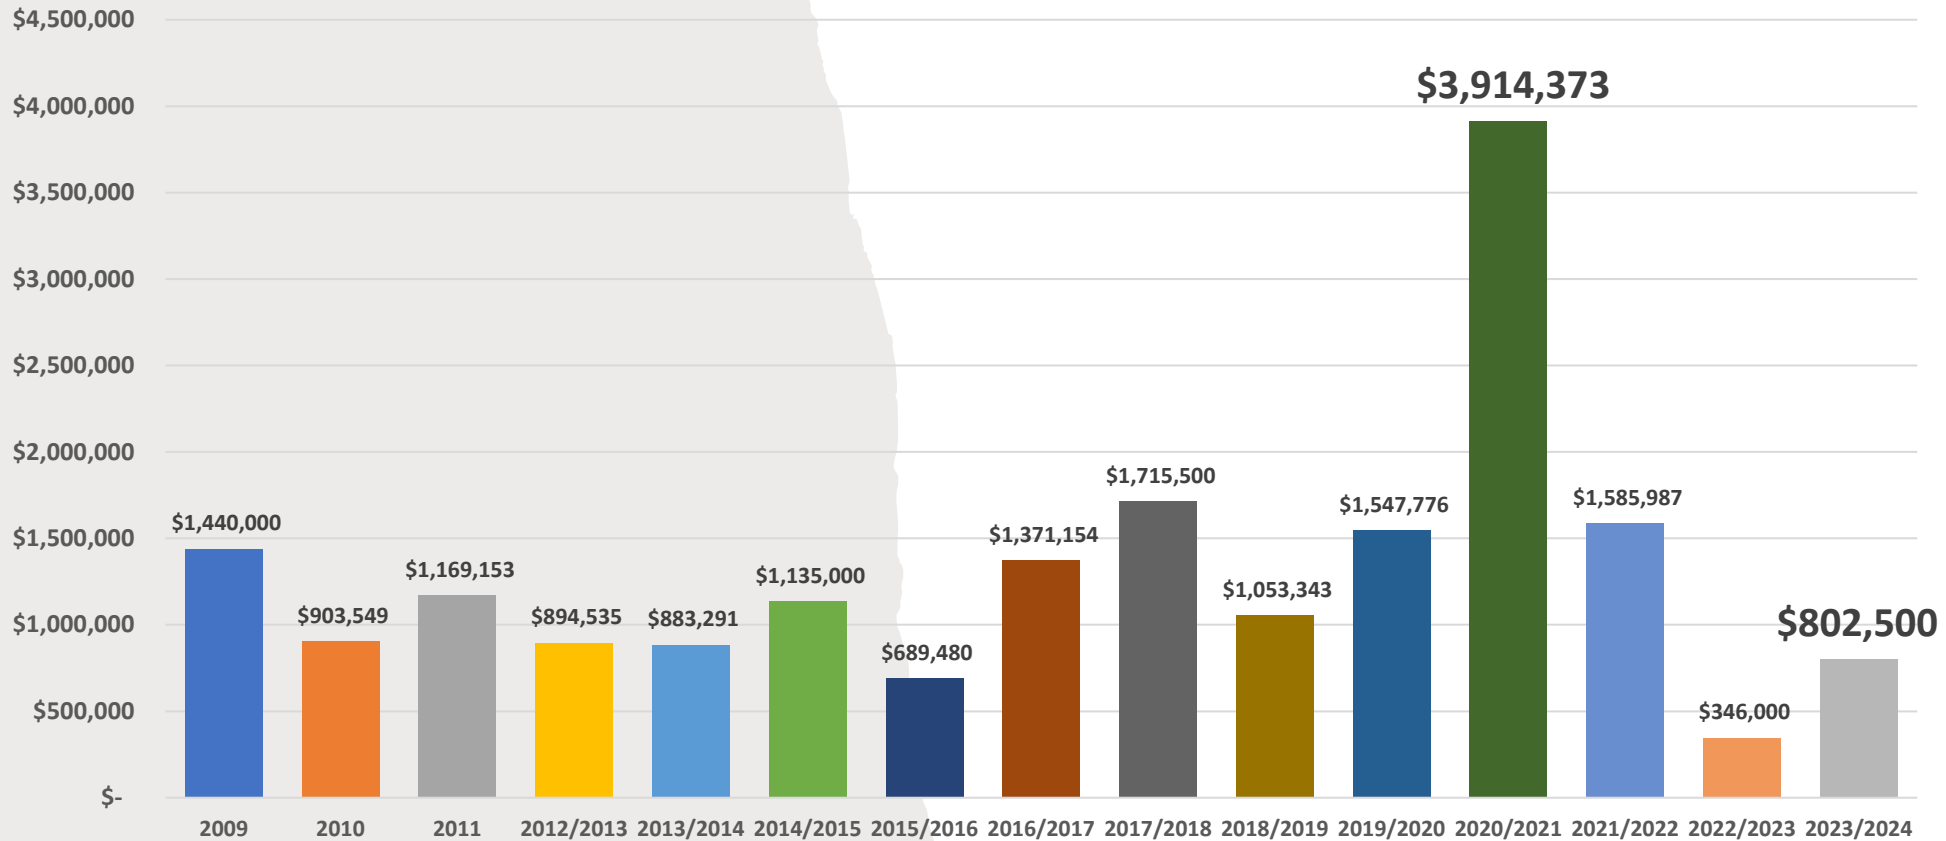

Venture Niagara disbursed 6 more loans in 2023-2024 than in the previous year.

Average number of loans per year 28 (27.6) from 2009-2024

***In 2009 FedDev Ontario became the funding agency for CFDCs in Southern Ontario**

Loan Portfolio Activity

\$ Volume of New Loans per Year – 2009* to 2024

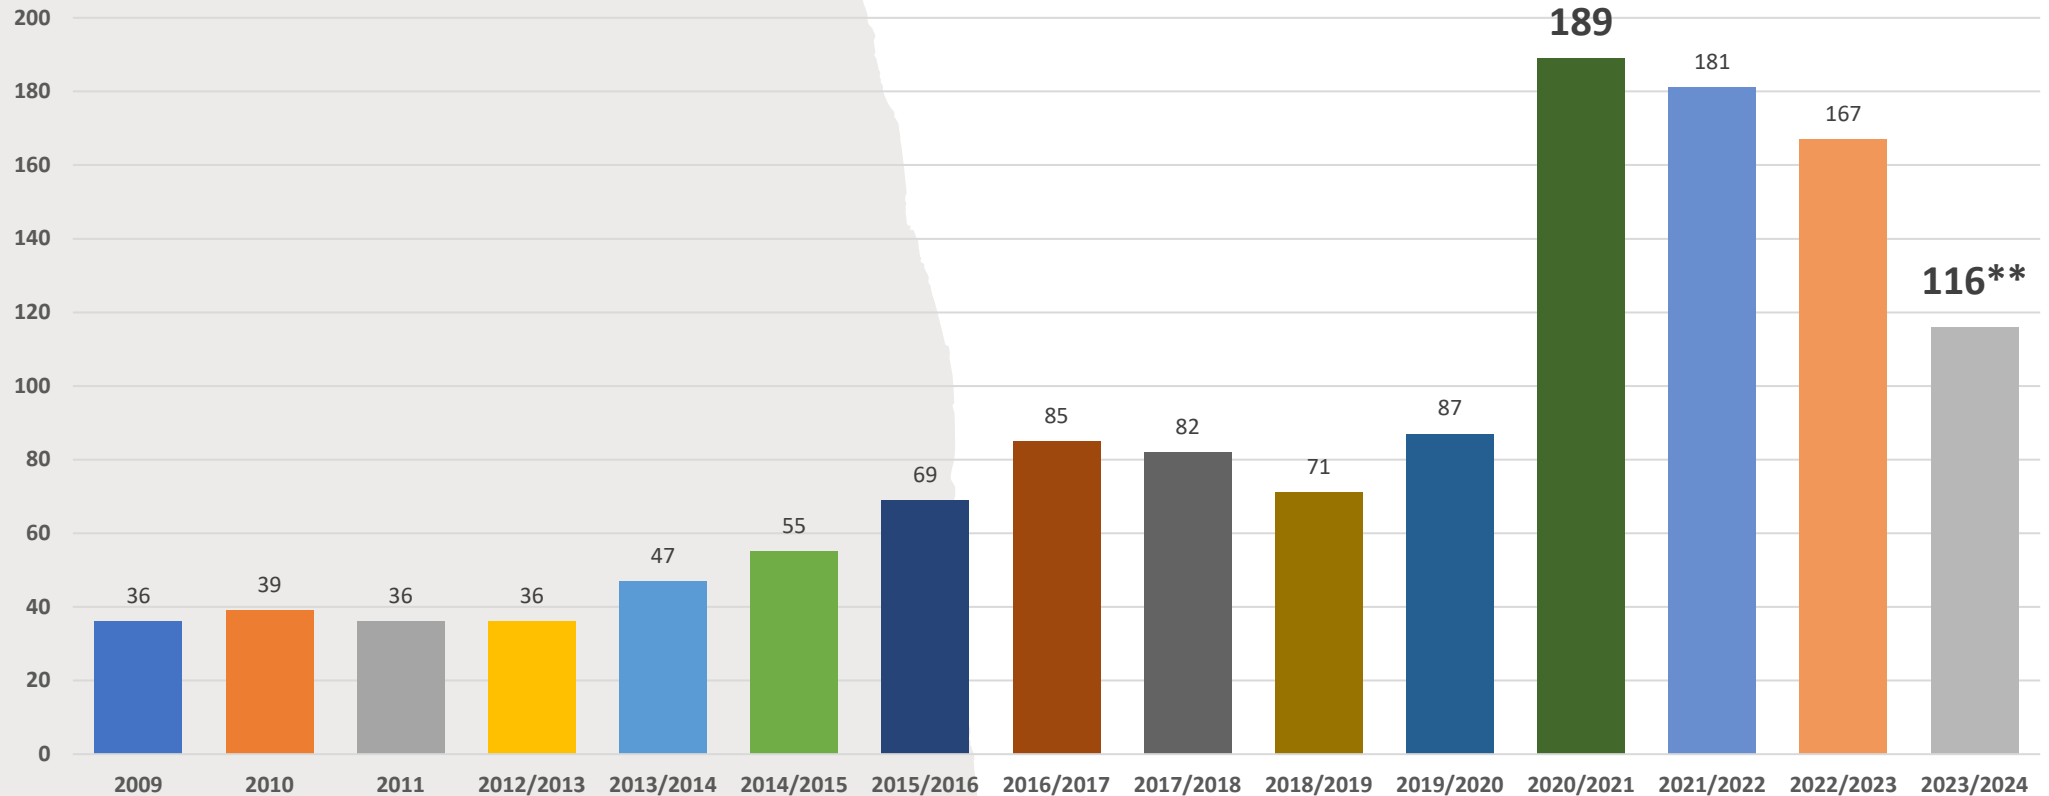

Venture Niagara provided \$802,500 in loans and operating lines of credit in 2023-2024

Average \$ Volume of Loans per year for last 5 years \$1,689,496 - Average \$ Volume of Loans per year since 2009* \$1,296,776

*In 2009 FedDev Ontario became the funding agency for CFDCs in Southern Ontario

Loan Portfolio Activity

Number of Loans in Portfolio at Year-end – 2009* to 2024

****The 116 loans includes “regular loans,” refinanced RRRF loans, and 12 RRRF loans that are paying interest only or in collections**

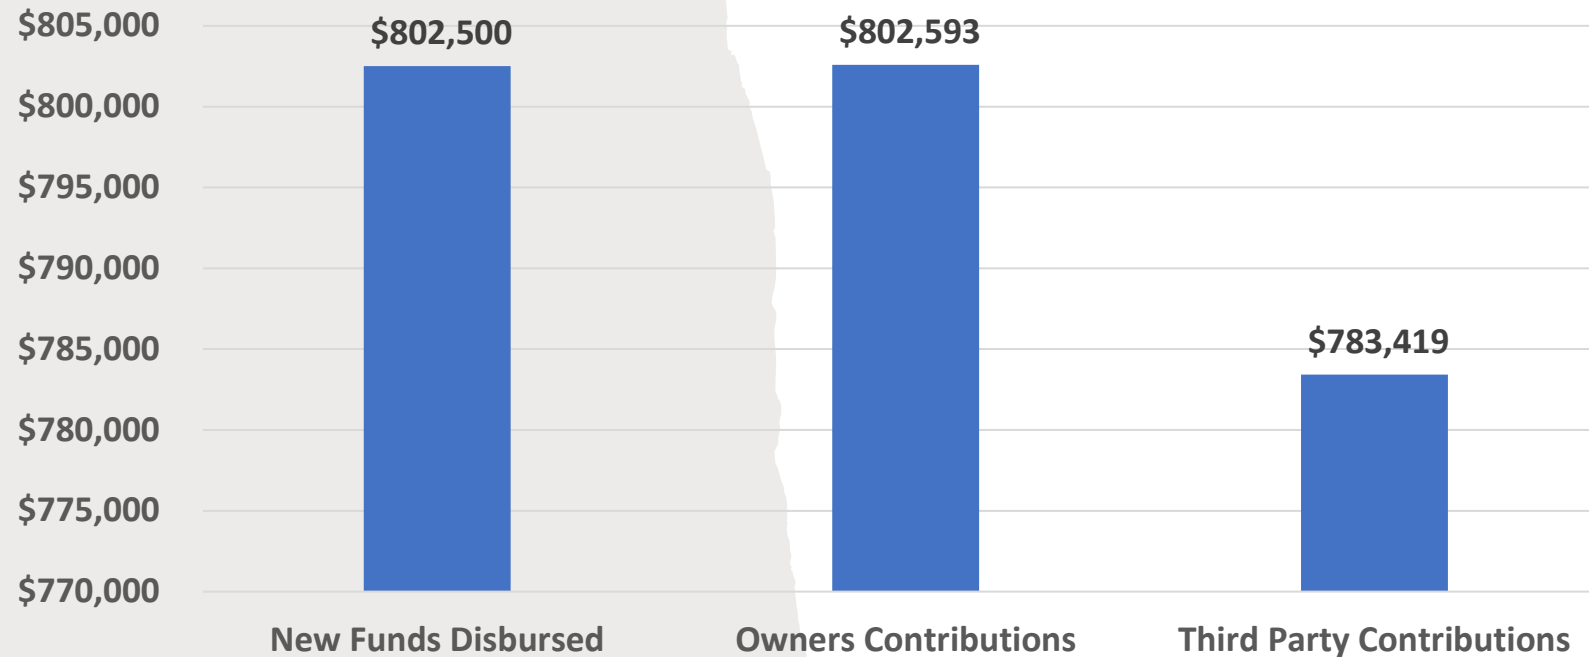

***In 2009 FedDev Ontario became the funding agency for CFDCs in Southern Ontario**

Loan Portfolio Activity

Leveraged Funds

Leveraging of Venture Niagara Financing

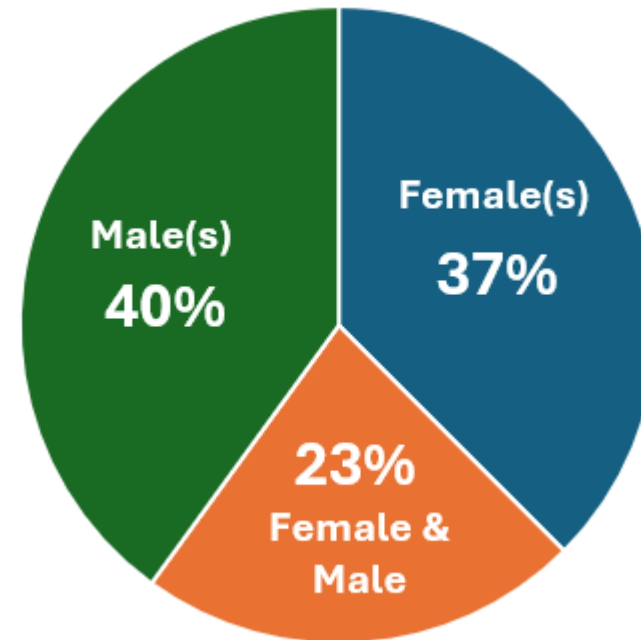

Disbursed Loans 2023/2024

Loan Portfolio Management

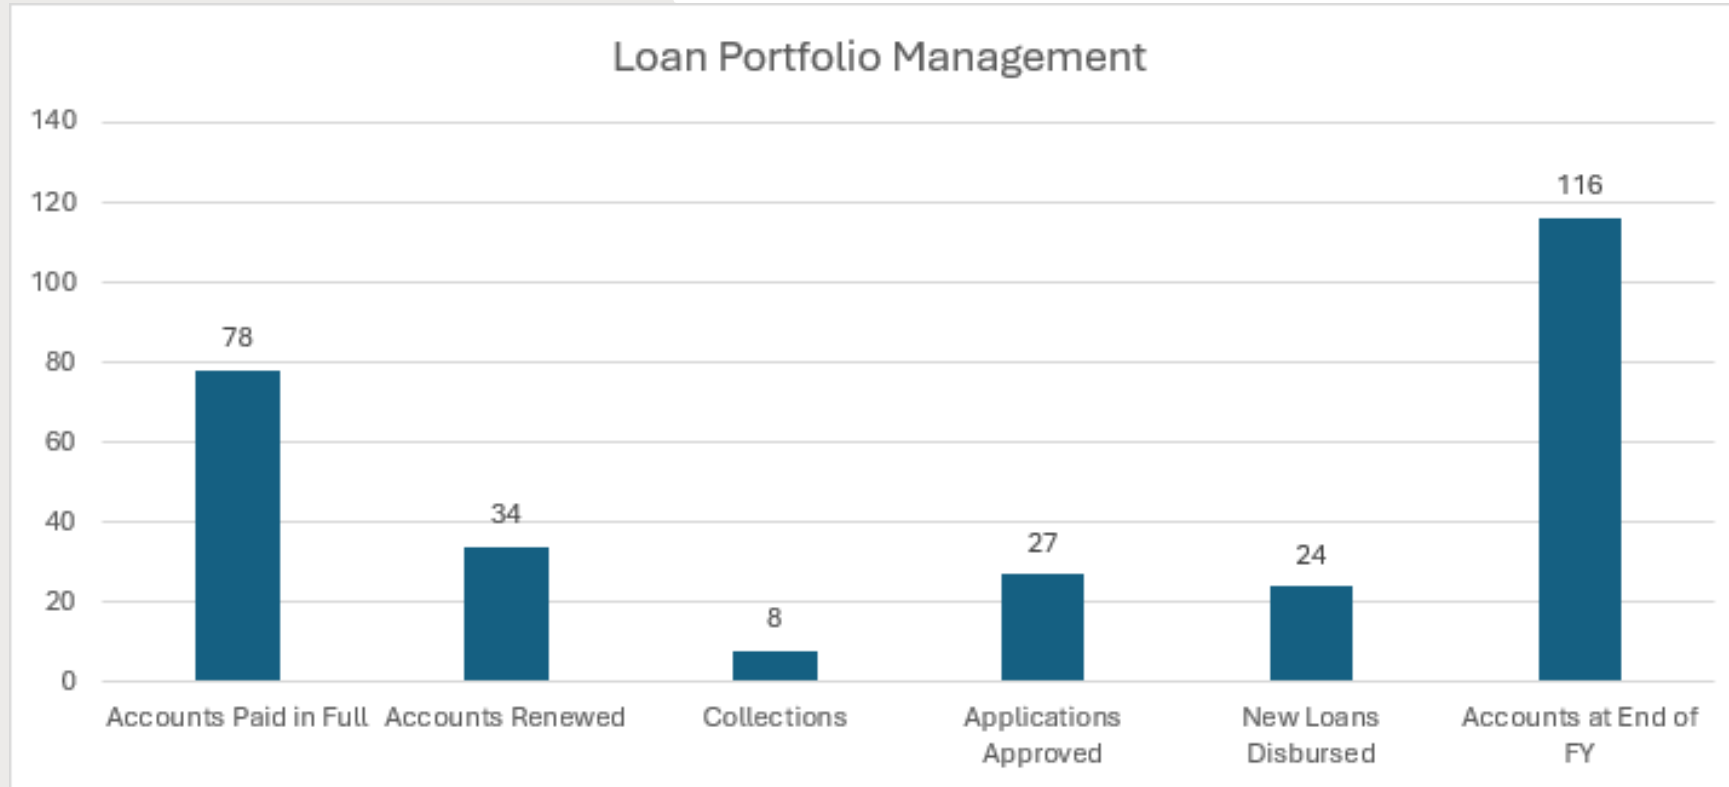

2023-2024 Loan Portfolio by Gender

Venture Niagara's Loan Portfolio is very close to gender parity when comparing the characteristics of business ownership by gender.

Loan Portfolio Management

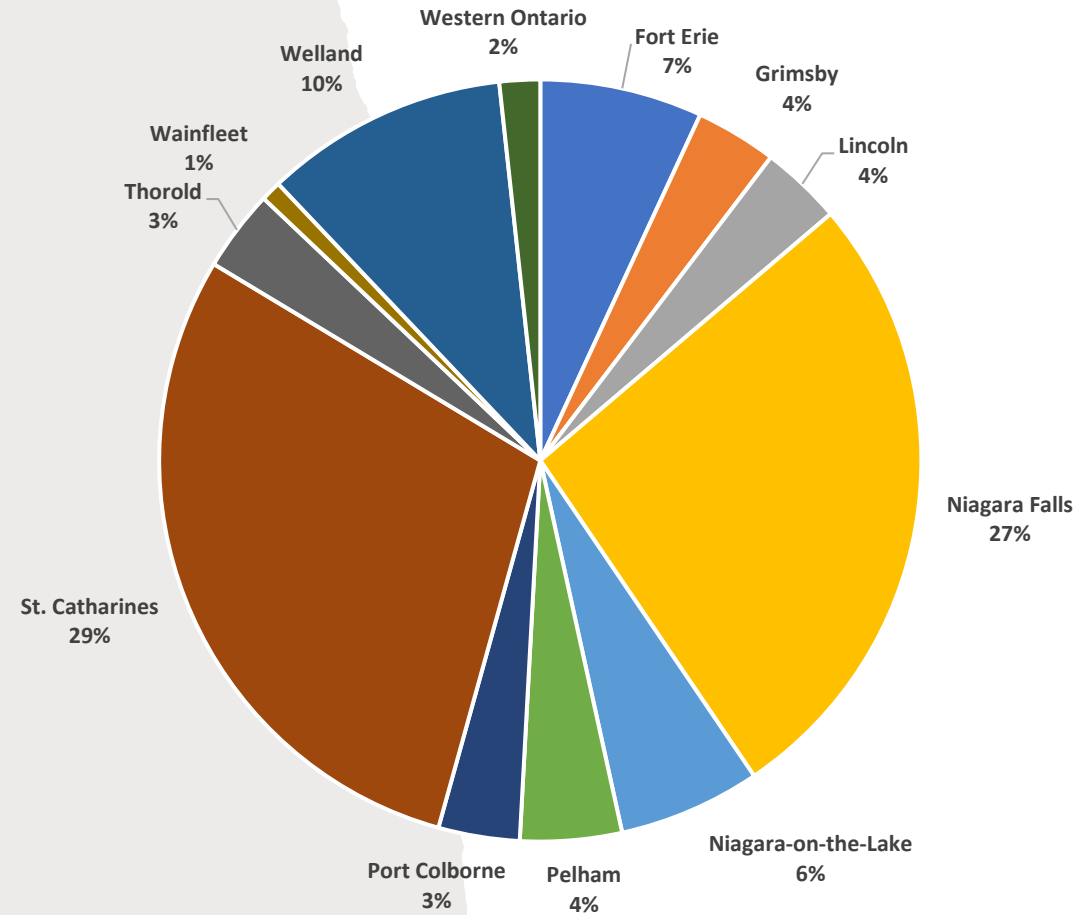

Accounts Paid in Full, Loans Renewed, Collections, Approvals and Disbursements

As the loan portfolio matures, the loan management function increasingly includes new loans, the closing out of fully-paid loans as well as early payouts; the renewal of existing accounts, collections, frequent disbursement on lines of credit and disbursement of funds for new loans. All these activities become an increasingly larger part of the loan portfolio management function.

Loan Portfolio by Municipality

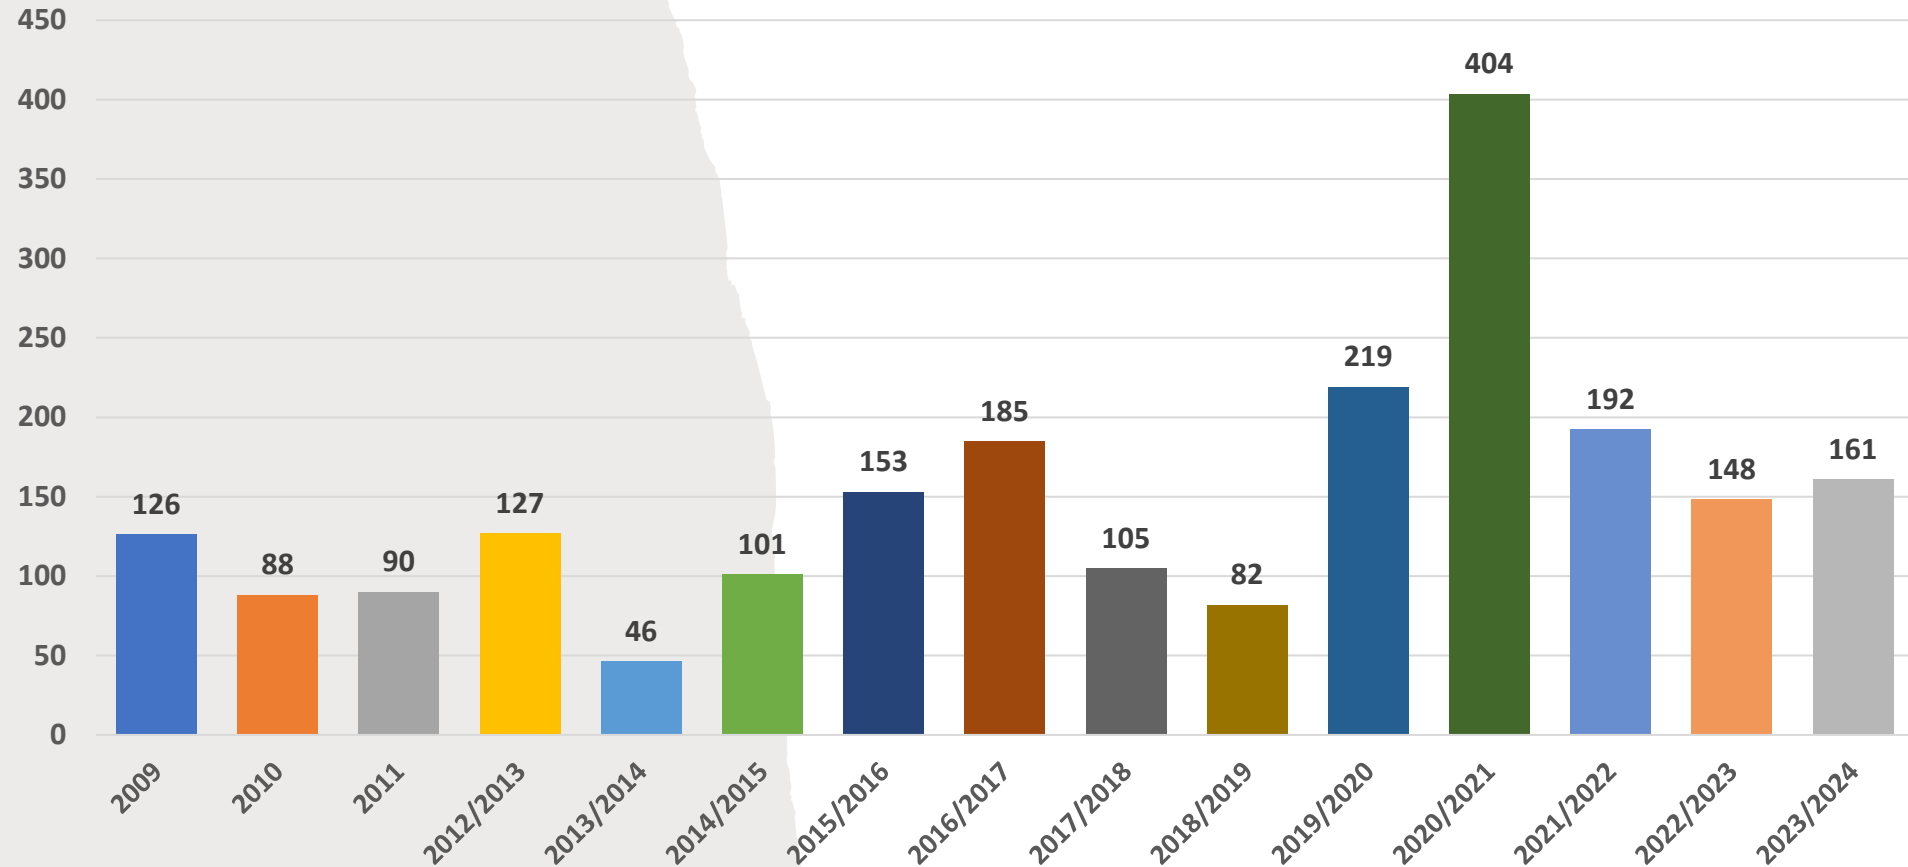

2023/2024 Loan Portfolio by Municipality

Job Creation & Maintenance

Job Creation & Maintenance

Number of Jobs Created & Maintained by Year – 2009* to 2024

Venture Niagara financing helped create 32 new jobs and maintain 129 existing jobs in 2023-2024

Featured Loan Clients

SID GRABELL CONTRACTING

Port Robinson, Ontario

Sid Grabell Contracting's original business location in Port Robinson with 10 employees.

In November of 2023 Sid Grabell Contracting unveiled a brand new 13,000 square foot home for their business on Allanport Rd. in Port Robinson. The company now has approximately 50 employees.

Venture Niagara provided the company with a business loan shortly after the business started, approximately 11 years ago. The company operated from a rural property in Port Robinson with approximately 10 employees. They steadily grew by working with industrial & commercial clients to provide electrical, power, automation and control solutions with an emphasis on efficiency, sustainability and safety. The company now has a state of the art 13,000 square foot facility with approximately 50 employees.

Applied Modern System Integration

Beamsville, Ontario

AMSi became a Venture Niagara client in 2014

Owner, Bassam Ali and his wife Raina made a huge personal financial investment to start the company and satisfy all lenders of his commitment. Initially a small team of engineers formed AMSi. Their strong reputation launched the company off to a running start.

AMSi Inc. is a leader in custom engineered electrical manufactured products in Ontario and Canada.

Today AMSi is in their own 62,000 sq. ft. facility on an 8- acre site in the Town of Lincoln (Beamsville) employing 75 professionals and trades including engineers, electricians, fabricators and others in the new space.
